Hopkins University

Dr. James Langenfeld is a Senior Managing Director at Ankura, based in Washington DC. He provides economic analyses and expert testimony for litigation, regulatory actions, and economic policy in a wide variety of industries. This work involves several different types of matters, including antitrust, damages, class actions, labor, mergers, statistical analyses, and regulation's impact on firms and consumers. He also serves on the editorial board of several professional journals, and has published numerous articles in journals and books on diverse topics in applied economics and econometrics. Over his 30-year career, he has held positions as managing director at other consulting firms, Director in the Bureau of Economics of the Federal Trade Commission, and Senior Economist at General Motors.
